HOUSING REQUEST FORM

If you are requesting on campus housing, the following is provided for your information. The listed reservation fees are to be paid prior to your being cleared to move into campus housing. This can be accomplished in one of the following two ways:

1. Mail the attached form, including fee amount. (Highly recommended since rooms are on a first-paid, first-assigned basis.)
2. You may wait and bring the designated amount with you and pay it in the Business Office before moving in. (Not recommended because you will not be guaranteed a room.)

Please be aware that all students requesting campus housing must complete a health form. A physician must complete his-her portion of the form, before you can be assigned a room. You must also show proof of having measles vaccination.
