

Message from the CEO
Dr. Portia Shields

Bring what???
Bring Him!!!
Bring high energy to this quest for a college
degree.
Uplift His name with the promise to give your
all.
Bring enthusiasm to this venture
So you can pump up the volume
To hear God's word above all that noise.
When a decision must be made to
Walk this way or that,
Trust only in Him if you really want success.
He has given you all this,
This green and golden opportunity.
Hold it tight in your heart, in your hand, in your
mind.
Don't let it slip away,
Fade away,
Waste away.
Just bring God with you on this journey to Concordia
And all the school requires:
Gator aid,
Lemonade or
Financial Aid.
Just bring God with you and
You'll never be alone.
Will you bring Him?
