8th Grade Preview Day is February 1st

All eighth graders will be participating in the annual 8th Grade Preview Day at the high school on Tuesday, February 1st. After arrival at our normal starting time of 8:15, students will have informative sessions on scheduling, here testimonies from current students, visit classrooms, meet the teachers, participate in Chapel, and much more. After enjoying the school day, students will enjoy a complimentary supper at Culvers and attend the boys' basketball game that night as part of our student body. Parents are asked to pick up the students after the basketball game around 9:00 or so. Parents of 8th graders will receive free admission to the game that night. 2nd semester milk fees (school wide)

It is almost the start of 2nd semester and time for the 2nd semester milk fees to be paid again. Second semester begins on January 17. One semester of milk for one carton is \$22.00 for grades 1-12. For kindergarten the cost is \$6.50 for snack time milk and \$13.75 for noon milk.

TRIP Update:

The TRIP committee would like to remind everyone to please put your name and phone number on both your order form and envelope. This is important information we need to process your order. Thanks in advance!

Another reminder is that both Culver's and Walker's comes in a \$20 debit card in addition to their \$5 debit cards.

We will process orders weekly until March 17. On March 17 there will be no order and Spring Payout will take place. This will be the last payout for the 2004-2005 school year. We will begin taking orders again on March 31, the earnings from then on will go towards the 2005-2006 school year with the first payout being sometime in October.

We would also like to begin a **VOUCHER BUSINESS OF THE MONTH** recognition. During that month we would appreciate it if you would thank them for participating in our program. Our first business is **WAUPUN FEED AND SEED!** Milan is offering to all farmers with children presently in CWCS a discount on prepaid orders of chemicals, seed and feed. This adds up to a huge amount of money not only for the farmer but for the school as well. So even if you are not a farmer and you see Milan around town **THANK** him for using our program and helping our school. This special will run through February.

Keep TRIP'in and build those earnings up!

The #1 question of the month!

Will we have to make up that snow day that we had earlier on January 6th?

The answer is: No, we will not have to make this day up but if we have anymore between now and Friday, February 18, we will be making that one up on the 18th.
