ECS is forming a team to participate in the 2010 Team America Rocketry Challenge. Students, if you would like to participate, you must get your parents permission and contact Cody Moran at school.

Parents, the team can use your help also. It is going to take about \$500 in order to compete. We are looking for donations or sponsorship so if you can help please contact the school office at 912.826.3327 for Rick Moran's contact information.
