October Fundraising Part Duo*

By ECS Headmaster Ted Trainor

1. Thanks to all golfers, donors, and volunteers who made our Golf Tournament a success. With over \$5,000 more in the operating account, ECS will be better able to navigate the cash flow crunch we usually experience in early January and early February. Thank you especially to the following:

2. Julie Moran and Karen Law organized and ran the event, solicited funds, organized volunteers, and worked out a great deal with Crosswinds Golf Club. Thank you both and a special thank you to your families for their support, too!

3. If you utilize the services of the following or perhaps need to utilize the services of the following, be sure to tell them "Thanks!" for supporting the ECS Golf Tournament by being Hole Sponsors & Prize Donors: Friends to Elect Ann Purcell, Camp Davis Sons of Confederate Veterans, Christ Anglican Mission, Coastal Audiology, Hamby Chiropractic,

Effingham Auto Sales, Alda Medical Center, Moss Creek Equestrian, Orthopedic Center of Savannah, Industrial Technical Coatings, Pooler Lions Club, GA State House Representative Ron Stephens, Salon Retreat, Savannah Christian Church-West Campus, Scott Bass-CFP with MetLife, State Farm Agents Darrel Hutcheson & Shae Smith, Friends of ECS, Compassion Healthcare, Christina Arnsdorff, Crosswinds Golf Club, 21 Rentals, and Kimberly Reddick, DMD.

4. From another perspective, God generously blessed our efforts to accomplish three goals: 1. Raise some money; 2. Find some new vendors/donors; 3. Build an event which will be easy to replicate and expand in future Fall Golf events.

WHAT'S NEXT: In the next few weeks, we have two more fundraisers and one service project which are time sensitive due to their holiday orientation:

Original Art Works (due next Monday) and Butter Braid (Gourmet Baked Goods – information going out next Monday to begin sales), and the service project is Samaritan's Purse-Operation Christmas Child. These two fundraisers have been part of the ECS Holiday Culture for years; we use the revenue from these events to offset the costs for Family Fun Day in the Spring. My challenge to you is that if you did not participate in some fashion in the Golf Tournament then pick one of these two fundraisers in which to assist. We trust that you will do as much as you are able to do joyfully on behalf of ECS. In regards to Operation Christmas Child, I hope that our school will be able to send at least 60 to 70 gift boxes to bless needy children across the globe this Christmas.

*ECS 3rd Graders know "duo" means "2" in Latin

Happy Birthday
To You!!

Jared R. 2nd Grade	10/3
Emory H. 2nd Grade	10/5
Ashton T. 1st Grade	10/10
Emily T. Pre-K	10/11
Zachary H. 7th Grade	10/16
Joseph L. Pre-K	10/26

UNIFORM NOTE:

ECS does not allow for the wearing of turtle-necks as under shirts. Please be sure to purchase appropriate long sleeved cold weather clothing which is available from our vendors (fleece coats, sweaters, long sleeved shirts, etc.). Any under-shirts which students wear are to be school colors (red, white, or black).

Community Note

A Time for Wisdom

Dr. Charles Evans, Keynote Speaker

Thursday, October 22, 7pm at Independent Presbyterian Church

Questions? Call 912.238.1222

Dr. Charles Evans will be lecturing on the need for intentionality in education in his presentation **A Time for Wisdom**. Please join Veritas Academy for an evening of insight and reflection regarding our high calling as parents, grandparents and teachers, and our subsequent opportunity to promote wisdom as the ultimate goal for our children's education.

GO KNIGHTS

U8 Fields Players will not have practice on Friday's. All other teams will continue a Wednesday and Friday practice.

team america rocketry challenge

ECS Students have formed a team to participate in the Team America Rocketry Challenge (www.rocketcontest.org). The challenge is designed for students from 7th grade up through high school. Students will have to construct a rocket that will carry an egg 825 feet into the air, recovering it on a stream with a flight duration of 45 seconds. This is a great challenge, and we need your help. The students will need help purchasing some of the materials (altimeters, construction material, computer software, etc.). If you, as a student, want to be on the team (limit to 10) see Cody Moran. If you, as a parent, would love to donate time or material to help, please contact Rick Moran via Julie Moran or at 912-429-9279 or richard.f.moran@gmail.af.mil.
