Do you have high cholesterol or high blood pressure? Have members of your family suffered from these ailments? Do you have a poor diet?

If you answer "yes" to any of these questions, you may want to consider being screened for your risk of stroke through the services of Life Line Screening. Life Line Screening uses ultrasound technology to view the plaque build up in your carotid arteries, the main arteries that carry blood to the brain. Blockages in these arteries are a leading cause of stroke. We are pleased to host this Life Line Screening event at Hus church on **Monday, December 15, 2008.** Register for a Wellness Package with Heart Rhythm for \$149.00. All five screenings take 60-90 minutes to complete. Call **1-800-324-1851** for more information or to pre-register.

Baskets will be ready for delivery on November 23rd. You can still make a donation in the box located in the narthex. Thanks for all of your help!

Welcome

November 16, 2008

We're glad you're here today.
Please fill out this stub and
place it in the offering plate.
