

NHCS Student Recruiting Referral Program

New Harvest Christian School is committed to providing a quality, Christ-centered education to residents of the Ventura/Oxnard communities. In order to achieve that goal, we must be able to reach families and let them know who we are and what we are all about.

As a parent of a child attending NHCS, stop and think about how you first heard about our school. Chances are good that it was through someone who already had a child here or was familiar with the school. Word of mouth is still the best method to educate our community about the benefits of Christian education.

So, you may be asking yourself, "How can I help, I'm just one person?". Since we are all part of the functioning body, we all can take part in sharing with our neighbors and friends about NHCS. Enrollment is the number one driver affecting the quality of our teachers, programs and long-term success.

With that in mind, we are pleased to announce a new recruitment referral program here at NHCS. Here's how it works:

1. You commit to pray for the school and God's provision.
2. Share the NHCS vision with neighbors and friends.
3. New families enroll.
4. You get tuition discounts.

Sounds too easy? Not at all. Simply fill out a referral form for the prospective child (or children) and for each enrolled student referred you will receive a \$200 credit towards your next month tuition for your child. All referral forms must be submitted to and approved by Carol Ford.

Why not commit to bringing in one additional family to NHCS for the 2007-2008 school year? Together, we can all help to keep the light shining for Christ in Ventura County.
