The Mission of the Home & School Association

Communication and mutual support between parents or guardians and the school community is one key to a successful education program. For this reason, St. Rita School has a Home & School Association. The Home & School Association provides:

- Service by organizing parents or guardians to do needed projects at school;
- Fund raising to meet the instructional needs of the school;
- Support in encouraging the educational, moral, physical, mental and religious growth of the school.
- We encourage parents or guardians to volunteer their time when called and to attend all Home & School Association events.
