The Mission of the Home & School Association

Communication and mutual support between parents or guardians and the school community is one key to a successful education program. For this reason, St. Rita School has a Home & School Association. The Home & School Association provides:

- Service by organizing parents or guardians to do needed projects at school;
- Fund raising to meet the instructional needs of the school;
- Support in encouraging the educational, moral, physical, mental and religious growth of the school.
- We encourage parents or guardians to volunteer their time when called and to attend all Home & School Association events.

Back by popular demand....Braided Bread!

The Home and School Association is going to work with the St. Rita Student Council to sell Braided Bread this fall and next spring.
