

ATTENTION – NEW TRAFFIC FLOW PATTERN

The work is completed around the school grounds. In order to comply with city codes the driveways have changed. There are now only two driveways. In order to ensure the safety of all children, please follow these directions:

1. Enter the parking lot through the North Avenue driveway.
2. Drive around the front of the building.
3. In the morning, drop students off in the same area by the basketball court.
4. In the afternoon, pick students up in the same areas as before the construction. Parents of Kindergarten –Fourth grade students, please park and come get your child/children.
5. Exit via the Graham Avenue driveway.
6. As always, please drive slowly through the parking lot, watching for children who may dash out into the parking lot.
7. Parents of elementary students, when you pick up your child after school, please keep them by your side until you have departed.
